Independent Auditor's Review Report on the Quarterly and Half-Yearly Unaudited Consolidated Financial Information of the Trust Pursuant to the Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 as amended

The Board of Directors Indigrid Investment Managers Limited (as Investment Manager of India Grid Trust)

- 1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Information of India Grid Trust ( the 'Trust') and its subsidiaries (together referred to as "the Group") consisting of the Consolidated Statement of profit and loss, explanatory notes thereto and the additional disclosures as required in Chapter 4 of the SEBI Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/44 dated May 15, 2024 as amended including any guidelines and circulars issued thereunder (hereinafter collectively referred to as "SEBI Circulars") for the quarter ended September 30, 2024 and year to date form April 01, 2024 to September 30, 2024 (the "Statement") attached herewith, being submitted by Indigrid Investment Managers Limited (the "Investment Manager") pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014 as amended, read with the SEBI Circulars.
- 2. This Statement, which is the responsibility of the Investment Manager and has been approved by the Board of Directors of the Investment Manager, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" (Ind AS 34) as prescribed in Rule 2 (1) (a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other accounting principles generally accepted in India and in compliance with the requirement of Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014, as amended, including any guidelines and circulars issued thereunder ("InvIT Regulations"). The Statement has been approved by the Board of Directors of Indigrid Investment Managers Limited. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of Investment Manager personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### NOTES:

- 1 The above unaudited consolidated financial results for the quarter and half year ended 30 September 2024 has been reviewed and approved by the Audit Committee and Board of Directors of Indigrid Investment Managers Limited ('Investment Manager') at its meeting held on 25 October 2024.
- a. The unaudited consolidated financial results comprise of the Statement of Profit and Loss and explanatory notes thereon of India Grid Trust, for the quarter ended 30 June 2024, quarter and six month ended September 30, 2023, six month ended and year ended March 31, 2024 ("Interim Financial Information"). The Interim financial Information has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34- Interim Financial Reporting (Ind AS 34), as presribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other accounting principles generally accepted in India and in compliance with the Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014, as amended, the additional disclosures as required in Chapter 4 of SEBI Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/44 dated 15 May 2024 as amended including any guidelines and circulars issued thereunder ("SEBI Circulars/InvIT Regulations")

b. The consolidated financial result for six month ended 31 March 2024 are the derived figures between the audited figures in respect of the year ended 31 March 2024 and the published year-to date figures upto 30 September 2023, being the date of the end of the six months of the previous financial year, which were subject to limited review.

Revenue and corresponding expenses included in the consolidated financial results for various periods may not be comparable on account of acquisitions done by the Trust during the respective periods as mentioned below

In March 2024 quarter, the Group acquired 49% of paid up equity capital of ReNew Solar Urja Private Limited ("RSUPL") with effect from 24 February 2024 from ReNew Solar Power Private Limited (referred as "the seller") pursuant to Share Purchase Agreement dated 08 January 2024 ("SPA"). The Group has finalised purchase consideration for acquisition of entire stake in RSUPL and has entered into a binding agreement with the seller to acquire remaining 51% paid up equity capital in RSUPL from the seller. The Group has beneficial interest based on the rights available to it under the SPA.

Further as part of internal restructuring, the Trust has transferred 49% holding to IGL2, with equity shares issued to the Trust at fair value in order to optimize IndiGrid's asset structure. After this internal restructring, the Trust is the beneficial owner for remaining 51% shares of RSUPL.

On August 25, 2023, India Grid Trust ("IndiGrid" or "the Trust") completed the acquisition of 100% units in Virescent Renewable Energy Trust ('Unit Acquisition' in 'VRET') for a purchase consideration of Rs. 38,544 Million. As per the regulatory approvals so obtained, the Trust has dissolved VRET with an effective date of September 08, 2023 and such dissolution has resulted into 15 Special Purpose Vehicles (SPVs) of VRET becoming direct subsidiaries of IndiGrid. Other assets and liabilities of VRET as on the acquisition date are also disclosed as assets / liabilities of IndiGrid, with effect from the date of acquisition.

As a part of the above deal, Virescent Infrastructure Investment Manager Private Limited (Virescent IM) and Virescent Renewable Energy Project Manager Private Limited (Virescent PM) has also been acquired at a enterprise value of Rs. 184.71 Million on 08 September 2023 and is merged with the Project Manager of IndiGrid i.e. IGL w.e.f 01 April 2023 as a pre-condition to the acquisition of VRET from regulators.

Further in March 2024 quarter, as part of internal restructuring, IGL 2 acquired identified solar SPVs from IndiGrid, in order to optimizing IndiGrid's asset structure. The consideration for purchase of identified SPV's has been settled by issue of equity shares at fair value by IGL2. Considering the transaction to be in the nature of common control within the Group, the difference between the carrying value of inestment of identified SPV's in IGT and the transfer value was considered as additional investment by Trust in IGL2 and is not debited to the Statement of Profit and Loss. The Share Purchase Agreements (SPA) to effect the transactions were executed on 12 January 2024.

Additionally, IndiGrid purchased step-down SPVs, including TL Sitamauss from Globus, TL Patlasi from Globus, and TL Tinwari from TL Charanka, for cash consideration. This strategic decision eliminated the layering of SPVs, leading to improved operational efficiency and a simplified organizational structure.

This restructuring does not have any impact on the unit holders equity.

- 4 Parbati Koldam Transmission Company Limited (PrKTCL), a subsidiary company, had filed a tariff petition with Central Electricity Regulatory Commission("CERC") during the FY 2021-22. Such tariff petition had been filed by PrKTCL for true up of the revenue for the financial years 2014-2015 to 2018-2019 and for determining the tariffs for the financial years 2019-2020 to 2023-2024 which is yet to be disposed off by CERC. Accordingly, revenue has been recognized based on tariff petition filed by PrKTCL.
- Pursuant to the Investment Management Agreement dated 13 June 2023 (as amended), Investment Manager is entitled to fees @ 1.75% of difference between revenue from operations and operating expenses (other than fees of the Investment Manager) of each SPV per annum or 0.25% of AUM, whichever is lower and acquisition fees amounting to 0.5% of Enterprise Value of new assets / SPVs / businesses acquired, subject to achieving Distribution Per Unit (DPU) guidance. For this purpose, operating expenses would not include depreciation, finance costs and income tax expense. There are no changes in the methodology of computation of fees paid to Investment Manager.
- Pursuant to the Project Implementation and Management Agreement dated June 30, 2021 as amended, Project Manager is entitled to fees @ 7% of gross expenditure incurred by each SPV (other than Jhajjar KT Transco Private Limited ('JKTPL') to which project manager fees is charged @ Rs. 80.5 million per annum subject to 5% escalation every year ) in relation to operation and maintenance costs per annum. The fees is paid by SPV's to IGL which gets eliminated at consolidation. There are no changes in the methodology of computation of fees paid to project manager.
- Under the provisions of the InvIT Regulations, the Trust is required to distribute to Unitholders not less than 90% of the Net Distributable Cash Flows of the Trust for each financial year. Accordingly, Unit Capital contains a contractual obligation to pay cash to the Unitholders. Thus, in accordance with the requirements of Ind AS 32 Financial Instruments: Presentation, the Unit Capital contains a liability element which should have been classified and treated accordingly. However, the SEBI Circulars (Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/44 dated May 15, 2024, as amended from time to time) issued under the InVIT Regulations, and Section H of chapter 3 of SEBI Circulars dealing with the minimum presentation and disclosure requirements for key financial statements, require the Unit Capital in entirety to be presented/classified as "Equity", which is at variance from the requirements of Ind AS 32. In order to comply with the aforesaid SEBI requirements, the Trust has considered unit capital as equity.
- 8 The Board of Directors of the Investment Manager approved a distribution of Rs. 3.75 per unit for the period 01 July 2024 to 30 September 2024 to be paid on or before 15 days from the date of declaration.

The activities of the IndiGrid Group includes owning, operating, and managing power transmission networks and solar assets. Given the nature of the Group's diversified operations and in accordance with the guidelines set forth in Ind AS - 108 - "Operating Segments," management has identified two distinct reportable business segments as "Power Transmission segment" and "Power generation segment". Power Generation segment includes entities in the business of generating power through renewable sources such as solar etc. These segments play a crucial role in resource allocation and performance measurement, as they are closely monitored and evaluated by the Chief Operating Decision Maker (CODM).

Following are the details of segment wise revenue, results, segment assets and segment liabilities

Independent Auditor's Review Report on the Quarterly and Half-Yearly Unaudited Standalone Financial Information of the Trust Pursuant to Regulation 23 of the SEBI (Infrastructure Investment Trusts) Regulations, 2014 as amended

The Board of Directors of Indigrid Investment Managers Limited (as Investment Manager of India Grid Trust)

- 1. We have reviewed the accompanying statement of unaudited standalone financial information of India Grid Trust (the 'Trust'), consisting of Statement of profit and loss, explanatory notes thereto and additional disclosure as required in Chapter 4 of the SEBI Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/44 dated May 15, 2024 as amended including any guidelines and circulars issued thereunder (hereinafter collectively referred to as "SEBI Circulars") for the quarter ended September 30, 2024 and year to date from April 01, 2024 to September 30, 2024 (the "Statement") attached herewith, being submitted by Indigrid Investment Managers Limited (the "Investment Manager") pursuant to the requirements of Regulation 23 of the Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014 as amended, read with the SEBI Circulars.
- 2. This Statement, which is the responsibility of the Investment Manager and has been approved by the Board of Directors of the Investment Manager, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" (Ind AS 34) as prescribed in Rule 2 (1) (a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other accounting principles generally accepted in India and in compliance with the requirement of Securities and Exchange Board Of India (Infrastructure Investment Trusts) Regulations, 2014, as amended from time to time, including any guidelines and circulars issued thereunder ("InvIT Regulations"). The Statement has been approved by the Board of Directors of Indigrid Investment Managers Limited. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of Investment manager personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 23 of the InvIT Regulations as amended, read with the SEBI Circulars, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 10 of the Statement which describes the presentation/classification of "Unit Capital" as "Equity" instead of the applicable requirements of Ind AS 32- Financial Instruments: Presentation, in order to comply with the relevant InvIT regulations.

Our conclusion is not modified in respect of this matter.

## NOTES

- 1 The above standalone financial results of India Grid Trust ("IndiGrid" or "the Trust") for the quarter and half year ended 30 September 2024 have been reviewed and approved by the Board of Directors and Audit Committee of Indigrid Investment Managers Limited ("Investment Manager") at its meeting held on 25 October 2024.
- 2 a. The unaudited standalone financial results comprise of the Statement of Profit and Loss and explanatory notes thereon of India Grid Trust, for the quarter ended 30 June 2024, quarter and six month ended 30 September 2024 and six month ended 30 September 2024 and year ended 31 March 2024 ("Interim Financial Information"). The Interim financial Information has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34-Interim Financial Reporting (Ind AS 34), as pressibled in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other accounting principles generally accepted in India and in compliance with the Securities and Exchange Board of Indian Accounting Standards) Rules, 2014, as amended, the additional disclosures as required in Chapter 4 of SEBI Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/44 dated 15 May 2024 as amended including any guidelines and circulars issued thereunder ("SEBI Circulars/InvIT Regulations").
- b. The standalone financial result for six month ended 31 March 2024 are the derived figures between the audited figures in respect of the year ended 31 March 2024 and the published year-todate figures upto 30 Septembr 2023, being the date of the end of the six months of the previous financial year, which were subject to limited review.
- 3 Revenue and corresponding expenses included in the standalone financial results for various periods may not be comparable on account of acquisitions done by the Trust during the respective periods as mentioned below
- i. In March 2024 quarter, the Trust acquired 49% of paid up equity capital of ReNew Solar Urja Private Limited ("RSUPL") with effect from 24 February 2024 from ReNew Solar Power Private Limited (referred as "the seller") pursuant to Share Purchase Agreement dated 08 January 2024 ("SPA"). The Trust has finalised purchase consideration for acquisition of entire stake in RSUPL and has entered into a binding agreement with the seller to acquire remaining 51% paid up equity capital in RSUPL from the seller. The Trust has beneficial interest based on the rights available to it under the SPA.

Further as part of internal restructuring, the Trust has transferred 49% holding to IGL2, with equity shares issued to the Trust at fair value in order to optimize IndiGrid's asset structure. After this internal restructing, the Trust is the beneficial owner for remaining 51% shares of BSI IPI

ii. On 25 August 2023, India Grid Trust ("IndiGrid" or "the Trust") completed the acquisition of 100% units in Virescent Renewable Energy Trust ('Unit Acquisition' in 'VRET') for a purchase consideration of INR 38,544 Million. As per the regulatory approvals so obtained, the Trust has dissolved VRET with an effective date of 08 September 2023 and such dissolution has resulted into 15 Special Purpose Vehicles (SPVs) of VRET becoming direct subsidiaries of IndiGrid. Other assets and liabilities of VRET as on the acquisition date are also disclosed as assets / liabilities of IndiGrid, with effect from the date of acquisition. These SPVs have long term Power Purchase Agreements (PPAs) with various state electricity distribution companies and is in the business of generating renewable power."

As a part of the above deal, Virescent Infrastructure Investment Manager Private Limited (Virescent PM) has also been acquired on 08 September 2023 and is merged with the Project Manager of IndiGrid i.e. IGL w.e.f 01 April 2023 as a pre-condition to the acquisition of VRET from regulators.

Further in March 2024 quarter, as part of internal restructuring, IGL 2 acquired identified solar SPVs from IndiGrid, in order to optimizing IndiGrid's asset structure. The consideration for purchase of identified SPV's has been settled by issue of equity shares at fair value by IGL2. Considering the transaction to be in the nature of common control within the Group, the difference between the carrying value of inestment of identified SPV's in IGT and the transfer value was considered as additional investment by Trust in IGL2 and is not debited to the Statement of Profit and Loss. The Share Purchase Agreements (SPA) to effect the transactions were executed on 12 January 2024.

Additionally, IndiGrid purchased step-down SPVs, including TL Sitamauss from Globus, TL Patlasi from Globus, and TL Tinwari from TL Charanka, for cash consideration. This strategic decision eliminated the layering of SPVs, leading to improved operational efficiency and a simplified organizational structure

This restructuring does not have any impact on the unit holders equity.

- 4 Formulae for computation of ratios are as follows:
- (a) Paid up debt capital = Total borrowings as on reporting date
- (b) Debt equity ratio = Total borrowings / (Unitholders' Equity+Retained Earnings)

(a) Non convertible debentures are secured by:

(i) first pari passu charge on entire current assets including loans and advances, any receivables accrued/realised from those loans and advances extended by the Trust/HoldCos to its subsidiaries

(direct or indirect) including loans to SPVs and future SPVs;

(ii) First pari-passu charge on Escrow account of the Trust;
(iii) Pledge of 99% over the equity share capital of specified SPVs except pledge of 73% over the equity share capital of PrKTCL and 65% over equity share capital of TSESPL.

(iv) first and exclusive charge on the ISRA/DSRA accounts created for the issue.

(b) During the period, Trust has fully paid non convertible debt securities

- 6 The Trust retained its credit ratings of "CRISIL AAA/Stable" from CRISIL on 29 August 2024, "ICRA AAA/Stable" from ICRA on 11 September 2024 and "IND AAA/Stable" from India Ratings on 18 October 2024.
- 7 Revenue from operations comprise of interest income on NCDs/loans to subsidiaries and includes interest income accounted under EIR method as per Ind AS 109 for 0.01% Non Convertible Debentures (NCD) issued by Indigrid Limited (wholly owned subsidiary of IndiGrid) which is the difference between market rate of interest and rate of interest on the NCD.
- 8 Pursuant to the Investment Management Agreement dated 13 June 2023 (as amended), Investment Manager is entitled to fees @ 1.75% of difference between revenue from operations and operating expenses (other than fees of the Investment Manager) of each SPV per annum or 0.25% of AUM, whichever is lower and acquisition fees amounting to 0.5% of Enterprise Value of new assets / SPVs / businesses acquired, subject to achieving Distribution Per Unit (DPU) guidance. For this purpose, operating expenses would not include depreciation, finance costs and income tax expense. There are no changes in the methodology of computation of fees paid to Investment Manager.
- 9 The provision for impairment / reversal of impairment of investments in subsidiaries is made based on the difference between the carrying amounts and the recoverable amounts. The recoverable amount of the investments in subsidiaries has been computed by external independent valuation experts based on value in use calculation for the underlying projects (based on discounted cash flow model). On a periodic basis, according to the recoverable amounts of individual portfolio assets computed by the valuation experts, the Trust tests impairment on the amounts invested in the respective subsidiary companies. The valuation exercise so carried out considers various factors including cash flow projections, changes in interest rates, discount rates, risk premium for market conditions etc.
- 10 Under the provisions of the InviT Regulations, the Trust is required to distribute to Unitholders not less than 90% of the Net Distributable Cash Flows of the Trust for each financial year. Accordingly, Unit Capital contains a contractual obligation to pay cash to the Unitholders. Thus, in accordance with the requirements of Ind AS 32 - Financial Instruments: Presentation, the Unit Capital contains a liability element which should have been classified and treated accordingly. However, the SEBI Circulars (Master Circular No. SEBI/HO/DDHS-PoD-2/P/CIR/2024/44 dated 15 May 2024, as amended from time to time) issued under the InVIT Regulations, and Section H of chapter 3 of SEBI Circulars dealing with the minimum presentation and disclosure requirements for key financial statements, require the Unit Capital in entirety to be presented/classified as "Equity", which is at variance from the requirements of Ind AS 32. In order to comply with the aforesaid SEBI requirements, the Trust has considered unit capital as equity.
- 11 The Board of Directors of the Investment Manager approved a distribution of Rs. 3.75 per unit for the period 01 July 2024 to 30 September 2024 to be paid on or before 15 days from the date of declaration
